

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

May 6, 2008

The Los Angeles County Department of Agricultural Commissioner/Weights and Measures, the Los Angeles County Farm Bureau, California Women for Agriculture, and the 48th District Agricultural Association have joined together to form a foundation whose mission is the annual production of an event, "AG DAY LA", to introduce agricultural sciences to students.

This year's event will be held May 14 and 15, 2008. "AG DAY LA" for 2008 will be held at the Fairplex in Pomona and is being hosted for the 2nd year by the 48th District Agricultural Association as part of their annual School's Involvement Fair. AG DAY LA will present displays and learning stations to educate our children about where, how, and by whom food and fiber are grown. The Schools' Involvement Fair is an established venue which draws more than 4,500 students from all over the County. The program will be focused on third and fourth grade students to enhance their current curriculum, which includes California history and its agricultural heritage.
